

TESTIMONIAL

We had the great privilege to work with the good people at Oceanic Offshore Engineering Pte Ltd and felt compelled to offer them this testimonial for their continuous efforts in being a responsive supplier and excellent marine offshore service provider

Seadrill Management prides itself to being among the Worlds' rig leaders. Our demands are nothing short of being audacious. Despite our constant demands, the team at Oceanic Offshore Engineering Pte Ltd have consistently met with our stringent requirements.

For positive attitude, I commend them and sum up my thoughts.

“Unrestrained by any means of a lack or inadequacy”

Their professionalism and persistence consistently showed prevalence among many others.

From Seadrill Management, I thank you for your relentless support.
